

STEP 3: 3-YEAR RENEWAL

Every 3 years, European Fluency Specialists have to resubmit their finalized online logbook for review. You can upload the different activities throughout the different years but **SENDING/ SUBMITTING** your logbook needs to be done after a 3-year-period. You need to document the following activities:

1. Professional activities:

Min. **300** hours of clinical and/or academic work.

2. Continued professional development

Min. **60** hours of continued professional development activities.

3. Discussion groups on fluency disorders

Min. **18** hours of discussion group activities.

Before the resubmission of the logbook will be processed, a payment of €50 (non-refundable) is required. After payment (always before September 1st) the logbook will be reviewed and European Fluency Specialist status can be renewed.

The European Fluency Specialists Board will notify applicants within a period of 2 months after renewal documents were sent in.
